A LEGO Technic model of a control panel. It features a central white panel with a small green screen and a keypad. To the left is a black panel with several buttons. To the right is a white panel with a large black knob. The entire model is built on a blue base with various Technic connectors and pins.

This image shows the completed LEGO Technic assembly for step 38. The structure is built on a large black base plate. It features a prominent red section on the left side, a black top section, and a white section on the right. The assembly includes various colored Technic bricks and plates, including blue, yellow, and grey. A large, clear, curved piece is visible on the right side, and a smaller, clear, curved piece is on the left. The structure is designed to look like a futuristic or industrial building.
